An Encouraging Word

Vision for Christian Living - John 12:20-33

We are to produce many seeds, not isolate ourselves, as we glory in receiving the grace of God through the death and resurrection of Jesus. As stewards, we are commanded to share the Good News with others and continue planting seeds, with the Lord always by our side. We are to care for those seeds, plant, cultivate, feed, nurture, and harvest them, and then plant again. We are managers of all of God's gifts, including the spiritual ones. The guidelines for caretaking are in the Word.

## ***Weekly Mission Prayer***

*Pastors and Teachers* – Father, thank you for leading men and women to become faithful pastors and teachers to help others learn more about you. Thank you for giving our synod two preparatory schools, a college, and a seminary to prepare students to teach and encourage with great patience and careful instruction. And thank you for moving the synod to offer continuing education programs for our leaders. Although your Word does not change, the world certainly does. Help us to encourage our pastors and teachers to continue their education, so that we can all grow in your grace. Amen.
