

## Sunday Morning Fellowship - 2015

Please plan to (1) **Provide**, (2) **Set Up**, (3) **Serve**, and (4) **Clean Up** the refreshments on your assigned Sunday. It is suggested that you contact each other to work out which family will arrive before early service to start the coffee and who will stay late to clean up after second service, as well as coordinating the snacks. Coffee is available at church. We ask you to provide other appropriate food and drinks. The refreshments should be set up in time for the end of each service. **THANK YOU FOR YOUR VALUED SERVICE!**

*Instruction for making coffee are on the side of the BUNN machine. Coffee supplies are on bottom shelf below. Please wash coffee pots, carafes, and wipe down countertops!*
