

Flower Guidelines

- Sign up on Flower Chart in kitchen for preferred Sunday.
- Make sure floral arrangement is present for both services on given Sunday (or both services during the summer).
- Arrangement should be placed on plant stand and offset forward and to the right of baptismal font as you look at altar.
- Size of arrangement should be within an 18” limit – both height and width.
- Try to limit to one family per Sunday, but if two are present, please coordinate with other family so flowers do not conflict.
- If two arrangements are present, the second could be placed on plant stand in front of pulpit.
- In selecting colors, please be mindful of color theme in sanctuary for aesthetic presentation.
- Donor is responsible for removing flowers after second service and disposing of any flower debris.
- Containers are in kitchen cupboard by communion ware.
